TERMS & CONDITIONS - INTERNATIONAL

- 01

Acceptance. Written approval of this document (including by email or electronic means) constitutes a binding agreement. Work begins on receipt of the deposit.
- 02

Validity. Quoted pricing is valid for **14 days** from the date of issue. After expiry, pricing and availability are subject to re-confirmation.
- 03

Payment. All amounts are in the currency stated on this document and payable per the schedule stated. Invoices unpaid **7 days** past their due date accrue a late charge of **1.5% per month** (or the maximum rate permitted by applicable law, whichever is lower) on the outstanding balance, plus reasonable recovery costs.
- 04

Taxes. All prices are exclusive of applicable sales tax, VAT, GST, withholding tax, or similar levies. The client is responsible for any taxes imposed in their jurisdiction. Where SwiftLoop is required by law to collect such taxes, they will be added to the invoice and itemised separately.
- 05

Scope & revisions. The price covers the deliverables described above with two structured revision rounds. Material changes in scope are quoted separately before any additional work begins.
- 06

Retainer. Every build includes a Loop retainer by default — it is how results compound after launch. Removing the retainer is a downgrade of the engagement, not a discount, and voids post-launch support beyond a 14-day defect-fix window.
- 07

Referral programme. One full month of your retainer is credited **free of charge** for every introduction you make that closes into a signed engagement. Unlimited, stackable, applied to the month following signature.
- 08

Intellectual property. All IP in the deliverables transfers to the client upon receipt of full payment. Until then, all materials remain the property of SwiftLoop FZ-LLC (trading as SwiftLoop). SwiftLoop FZ-LLC retains the right to showcase the work in its portfolio and to place a small **“Site by SwiftLoop”** credit, linking to swiftloop.tech, in the footer of all pages of the delivered website, unless agreed otherwise in writing.
- 09

Third parties. Domains, hosting, paid plugins, ad spend and other third-party fees are billed at cost and are not included unless itemised above.
- 10

Cancellation. If the client cancels after kick-off, the deposit is non-refundable and work completed beyond the deposit value is invoiced pro-rata.
- 11

Liability. SwiftLoop FZ-LLC's aggregate liability is limited to the total fees paid under this document. Neither party is liable for indirect or consequential loss.
- 12

Governing law. This agreement is governed by the laws of England and Wales; the courts of England and Wales have non-exclusive jurisdiction unless otherwise agreed in writing. This document is computer-generated and valid without signature or stamp.
